

THERAPEUTIC ADVENTURES - SCHOLARSHIPS

Scholarships

Passport to Adaptive Outdoor Adventures

Scholarships are made available to our clients through the generosity of businesses, foundations, civic groups, private individuals, alumni and friends donating to our **Passport to Adaptive Outdoor Adventures** program.

With three decades of service, approximately to 3,500 clients have participated in our adaptive outdoor programs, camps, retreats and other special services including: alpine and nordic skiing, snowboarding, snow shoeing, sailing, fly fishing, kayaking, canoeing, camping, backpacking, rock climbing, hand-crank marathon racing.

Each year Therapeutic Adventures, Inc. awards scholarships to individuals who would not otherwise be able to participate without financial aid. The fees charged to clients do not reflect the overall cost of operating an adaptive program.

Through donations and scholarships, we have been able to underwrite the partial or full cost of operating our programs. We are proud of the fact that **NO** one has ever been denied the opportunity to participate in our adaptive outdoor programs due to an inability to pay.

Using trained and enthusiastic volunteers to help staff our programs enables us to keep our program expenses to a minimum. Moreover, our partnerships with other non-profit organizations help to keep our program expenses to a minimum.

This is just one of the many ways that we work to serve you!
